finish.	Details are very important to us - that is why we consciously chose certified oil waxes based on natural ingredients to make our products safe also for children. You can decide about the shade of the wood based on our oil waxes color palette. You can also choose the color of your drawers from RAL or NCS palette as well. However, if you have any doubts, you can always contact us. We will be very glad to help you choose your dream piece of furniture. This piece in particular is covered with natural shade oil wax. Each piece of furniture made by us experiences a large dose of attention and tenderness. All surfaces and edges of the furniture are extremely refined - rounded, velvety and pleasant to the touch, so they are safe to use by adults and children. We use the highest quality furniture fittings. All of our drawers are equipped with self closed system. At Wood Republic every inch of the furniture is made from 100% birch plywood so trust us - it will outlive us all! When a toddler gets bigger you can take out one or two sides and create "a big child's bed". In this way, NEST.crib can be used by a child up to 4 years old, yay! Front and back rungs are arranged in safe distance from each other so they can meet all safety standards. Movable base has venting holes and it gives you three levels of mattress position in total. The height of the base is adjusted to safety standards as well so that your little one is safe during standing.
shipment.	We deliver the furniture to you in one piece, so you don't have to waste your time and energy assembling XXL puzzles. We estimate the prices individually based on your order. Remember that we don't provide bringing the furniture to your home or office but we cooperate with private transport companies and the driver is always happy to help you.
assembly.	Furniture we create are very solid and heavy. We care that you and your loved ones are safe so we recommend mounting bookshelves, wardrobes and chest of drawers to the wall with included set of screws. Mounting holes are located on the back part of the furniture. If you have doubts that the furniture will fit when brought into your home, we can redesign it for you so that it consists of several smaller modules for simple assembly. Then it becomes a modular piece, which we additionally equip with locking screws, thanks to which you can easily connect all the parts together.
maintenance.	Our furniture are secured with high-quality impregnants so avoid contact with any sort of liquid for long amount of time. For everyday care, use slightly wet cloth. From time to time clean it with professional product by OSMO for oil wax furniture.
